Hope and help for families and friends of alcoholics

AL-ANON IS a worldwide organization that offers a self-help recovery program for the families and friends of alcoholics, whether or not the alcoholic seeks help or even recognizes the existence of a drinking problem. Members give and receive comfort and understanding through a mutual exchange of experiences, strength, and hope. Sharing of similar problems binds individuals and groups together in a bond that is protected by a policy of anonymity.

AL-ANON IS NOT a religious organization or a counseling agency. It is not a treatment center, nor is it allied with any other organization offering such services. Al-Anon Family Groups, which include Alateen for teenage members, neither express opinions on outside issues nor endorse any outside enterprises. No dues or fees are required. Membership is voluntary, requiring only that one's own life has been affected by someone else's drinking problem.
